Effective January 1, 2007, the limit for the monthly pre-tax deduction from an employee's income to pay for qualified parking will increase to \$215.00. This new amount represents a \$10.00 increase over the \$205.00 monthly limit in effect for 2006. It is important for departments to communicate this information to their employees as soon as possible.

Questions from individual employees should be directed to the employee's personnel/payroll office. If departments have questions or need assistance, please contact Ray Asbell at the phone number or email address listed above.
